**The Function**

Marie Stopes International (MSI) is a marketing focused, results oriented social enterprise. We develop efficient, effective and sustainable family planning programmes in the UK and overseas. The UK division provides services to men and women over 130,000 times a year.

The primary responsibility of this role is to further MSI’s Goal: the prevention of unwanted births and its mission of ensuring the individual’s right to: children by choice not chance.

**The Role**

Provide administration support to ensure the smooth operation of Marie Stopes Vasectomy satellite centres, ensuring an excellent client experience.

**Key Responsibilities**

- **Greet the client:** On the client’s arrival at the centre the VCA should greet the client
- **Check client is on the Procedures List:** Confirm client’s booked procedure time and whether client has completed a phone consultation and received information relating to his procedure and aftercare
- **Arrive client:** Ensure client is marked as arrived accurately showing time of arrival
- **Issue the pre-printed consent form:** Give the client a copy of the consent form to read through and ask client to take a seat in the waiting area
- **Coordination:** Be the main point of contact between the Administration function and the Clinical Team ensuring the list runs to time. Where there are delays, ensure the clients are made aware of this and, when agreed by all team members, reorder the list to minimise inconvenience to clients
- **Make up Sample Testing Bag:** Fill sample bags for each client for sample testing 16 weeks and 18 weeks after treatment
- **Client Recovery:** Greet client into the recovery area post procedure and serve refreshments as required. Ask client to complete the client questionnaire
- **Aftercare Information:** Relay aftercare advice from the aftercare script and ensure that client has the client information booklet to refer to at home. Issue sample testing bag
- **Administration:** Check that the consent form has been signed and witnessed by all parties. Collect client questionnaire. Complete and post individual GP discharge letters. Ensure that all documents and clinic paperwork is returned to the Vasectomy Department
- **Carry out stock check:** Check amount of stock left and complete stock sheet
- **Reporting:** Ensure any incidents are reported using the incident reporting process and any minor issues are relayed to the Admin Support Team
- **Adhoc:** Any other reasonable duties and adhoc projects as requested by your Manager
